Church Road, Levens, Kendal LA8 8PU 015395 60694 office@levens.cumbria.sch.uk www.levens.cumbria.sch.uk

Wednesday 15th July 2026

Dear Parents and Carers,

Thank you so very much for your extremely generous gifts that arrived in school yesterday. You are all so very kind and we are again so overwhelmed by your gesture which is very gratefully received. Some of the lovely treats in our staffroom are now tucked away for the start of the autumn term and we are hoping to venture down to the Hare and Hounds for a few drinks after closing on Friday to celebrate the end of an incredible year! Thank you so very much!

End of Year Events:

It has been lovely to have your support at so many of our end of term events over the last few weeks.

Our competitive sports morning was a huge success, despite the intense heat! Thank you so much to all the parents and family members who came along to support us and particularly to those who helped out on the finish line and loaned us some much-needed tents and gazebos! And, a special big thank you to Rob Bond who brought every piece of equipment back up to school for us on the day, saving us all a huge job after school.

All the junior children treated us to a wonderful performance last week in their brilliant 'Pirates Vs Mermaids.' These events really showcase some amazing acting and singing; providing another opportunity to shine out of the classroom.

Thank you so much for all your help with the fantastic costumes and to Ms Chapman and Mr Dean for organising such a memorable evening for everyone!

2025 THE PTI Primary Hub

This week, we say goodbye and good luck to our fourteen Year Six leavers pictured here with their personalised hoodies kindly purchased by FOLS again this year. This morning, we celebrated their time at Levens School with a very well attended service at St. John's Church.

We will also be wishing Miss Heaton all the best as she approaches the arrival date for her new baby due in August! I am sure you will want to join us in wishing her all the happiness, health and joy in the world as she starts her family with her partner Jack.

Eva News:
Everyone has had the opportunity to spend quality time with Eva this week as she has now made her final visit to school before going for her 'taster-day' at the Guide Dog Centre in Atherton next week; and then into a 6-week assessment period during the summer holidays.

Thank you to all the children who have contributed so much to her training so far and we all wish her success as she moves on to her next stage, either as a Guide Dog for an adult or as a Buddy Dog to a visually impaired child.

A huge thank you to all our volunteers:
Without all the support we receive every week from so many people, our school would be a very different place. To everyone who has accompanied a class on a school trip; come in week-after-week to hear some children read; pick up children from a sporting event offsite; supported the work of FOLS and so much more - Thank you – you make every bit of difference to our school.

Uniform Orders:
If ordering items over the summer, please arrange for home delivery, unless you are happy to wait until the autumn term starts to collect your order. We will be hosting another pre-loved uniform exchange early in the autumn term – details to follow.

If you are considering permitting your child to have pierced ears over the holidays, please ensure this is done at the very start of the holidays so that they can be removed for PE lessons when we return.

End of Year Reports:
Last Friday, you should have received your child's end of year report. Please complete the back page and return it to school – this will be returned to you once we have made a copy. Please also expect that some of your child's work will be brought home this week too.

Some final important updates:

We will be looking forward to welcoming everyone back on Wednesday 2nd September and please note that school will be closed for one day on Thursday 10th September for staff training.

School closes this Friday at 2pm!

My final word, is about the incredible staff here at Levens. I feel grateful everyday to work with such amazing people who care passionately about your children and strive to do their very best every day that they are in school. In over 30 years in education (that is as much as I am willing to share!) I have never known such a hardworking; resilient; supportive; and dedicated school staff. We all continue to love our jobs, despite working in a climate of increased accountability, external pressure and at times, unmanageable workload. Thank you for all your support of school and your trust in us – it is genuinely appreciated by everyone of us.

On behalf of all the governors and staff, we wish everyone a happy, healthy and sunny summer break. We look forward to seeing you soon.

With my very best wishes

Jane Farraday
Headteacher
