The full board of Governors met on 14 December 2017

An update was provided on Governor vacancies: Jenny Berge has been nominated to fill the LA governor vacancy, Simon Webb was re-appointed as a parent Governor, and a new Foundation Governor to fill the current vacancy has been nominated with appointment anticipated shortly.

The Governors reviewed and signed off the Budget Control Report, the October Budget Review, the Audited School Funds 16/17 and made arrangements for the completion of the Schools Financial Values Standard. A number of other policies for revision were reviewed and signed off. Details of these will be in the official minutes.

Governors were updated on the school dining facilities. They re-affirmed support for a temporary dining room (Portacabin) pending completion of new build facilities.

The school evaluation report was discussed following a peer to peer (external) review of the plan. There was a focus on phonics and Governors were updated on provision, staff training and progress. In addition, the School Development Plan was also reviewed and the priorities for 2017-2018 discussed. The Head teacher's report included detail on good attendance figures and plans for cover in the continuing absence of The Bowfell Class teacher. The official report following Ofsted Inspection on 22nd November was still awaited and there was consequently no discussion of the report in the meeting. The results of the parent view part of the inspection were available and reflected well on the school and staff.
