

# LEVENS CE SCHOOL

Loving to Learn, Growing Together, Caring for All

Headteacher: Mrs Jane Farraday

Church Road, Levens, Kendal LA8 8PU 015395 60694 office@levens.cumbria.sch.uk www.levens.cumbria.sch.uk

Thursday 27<sup>th</sup> June 2019

Dear all Parents and Carers,

I would like to begin by saying a huge thank you to everyone who has been involved in supporting FOLS so far this year. Our Coffee Morning at the Institute was enjoyed by so many families and friends of Levens School. Thank you also to all our parents who contributed to the Easter holiday Smarties Challenge. Together these events have enabled us to establish funds towards purchasing a canopy to provide some shade and shelter in our playground.

So far this year, FOLS have helped purchase new practical maths resources for children across school to enjoy; books all about mindfulness promoting mental wellbeing; engineering or computing sessions with Cumbria STEM for all three classes; and very special treats and gifts for our 9 year six leavers. We are planning a sponsored walk in the autumn term so please look out for the date yet to be confirmed.

## **Governor News:**

I am delighted to be able to inform you that we have two new parents governors joining the team. Bruce Helme, father of Isla in Nursery, and Ed Mason, father of Hector in Nursery, have agreed to serve a term of at least three years on our governing body. We very much look forward to welcoming them to their first meeting next week.

## **Outdoor Education Days:**

All three classes have enjoyed, or are due to enjoy, some fun experiences in the outdoors. Bowfell are looking forward to their trip to Brockhole. Skiddaw have spent a day canoeing and making pizzas; and Scafell enjoyed two days sailing with Windermere School. All these trips would not be possible without the support of parental contributions and each were subsidised with school sports funding from central government.

## **Music Lessons from September:**

We are really sad to tell you that due to family commitments, our lovely Mrs Rainbow will be ceasing teaching piano at the end of the summer term. Mrs Rainbow has been with us for many years, is the kindest and most patient of teachers and is much loved by pupils and staff alike. She will be sorely missed and we will be thanking her for what we can only describe as her utter 'devotion' to Levens School, continuing to teach here after relinquishing all of her other teaching schools.

INVESTORS  
IN PEOPLE

However, as one door closes, another one opens and we are delighted to announce that our fabulous violin teacher, Mrs Hurley, also teaches piano and she has agreed to take over as 'piano teacher in residence' from September. We are all very excited to be welcoming her back in September in her extended role at Levens.

### **Skiddaw Engineers:**

This term, Skiddaw have been working closely with Fran Ward from Cumbria STEM on a brilliant engineering project all about space. This has been an incredible opportunity to develop our collaboration skills, our problem solving and develop our skills in design and technology. We are the only school in Cumbria to have been able to involve everyone from three year groups in this project and we are all extremely grateful. Please come along and see what we've been up to in our 'Expo' on Monday 8<sup>th</sup> July at 9.30am when Tim Farron and CSTEM will be attending; or alternatively pop in after school at 3pm on Monday afternoon.

### **School Website:**

Please take a look at our school website. There have been so many wonderful events taking place in and out of school this term and you can read about some of them on our school blog!

### **Scooters and Bicycles:**

Many of our children are arriving at school on bikes and scooters. We are always reminding the pupils to take particular care and move slowly when leaving the playground at 3pm. We have so many nursery children and toddlers around at the end of the school day and are keen to ensure they are kept safe. The children also know that they should not scooter or cycle on either of the external ramps in our playground.

### **New Uniform:**

Please ensure you have ordered any uniform required for September 2019 as soon as possible if you would like to receive this before the end of term. The link to Coniston Corporate can be found the uniform section of our website. As soon as uniform is delivered to school we will ensure you receive it promptly, however, please be aware no uniform deliveries take place during school holidays.

**Diary dates: Please keep a close eye on our online calendar containing the most current information for forthcoming events.**

Thursday 27 <sup>th</sup> June	South Lakes Pupil Parliament
Monday 1 <sup>st</sup> July	Toddler Taster Session – Summer Fun from 9.30am. Children at Nursery Mondays do not attend this session.
