Summary of the Board of Governors Meeting held on 2nd July 2020

The Levens Board of Governors met via TEAMS on Thursday 2nd July 2020.

Governors meetings have been conducted virtually since 21st March due to the COVID-19 pandemic and the rules on social distancing.

The Governor Terms of Office were considered and Suzan Bishop was co-opted for a further 4 years.

Following submission of the approved 3year budget, there had been no response from the Local Authority, indicating an acceptance of the document.

Mrs Farraday gave a comprehensive COVID-19 Report. A total of 44 children are attending school across the year groups of Nursery, Reception, Year 1 and Year 6, along with the Key Worker group. Home learning still continues to be undertaken by many children. Several policies have been updated inline with Government guidelines and shared with staff and parents. Teachers have maintained contact with families throughout closure.

Governors were very happy to hear that all pupils will be given the opportunity to attend school, on certain days, before the end of term.

Mrs Farraday outlined the proposed staffing and class structure for the coming year, during which time every effort would be made to follow the Government's new guidance regarding re-opening school in September to all our children safely.
